

**2022 Summer Reading Challenge  
Oceans of Possibilities  
@ Waterford Library**

**How to Participate**

The Summer Reading Challenge begins Friday, June 10. You can register online through Beanstack using the link on our website at [www.waterford.lib.wi.us](http://www.waterford.lib.wi.us) or download the Beanstack app. Everyone is welcome to participate, even those too young to read. Keep track of your reading through Beanstack, or earn Book Bucks by checking out materials at the Waterford Library. A combination of in-person, online and take-home programs are available all summer. Attend any of the free programs that interest you and your family. Families do not have to be registered in Beanstack to join in-person programming or to earn Book Bucks. Follow our Facebook, Twitter, Instagram, TikTok, Pinterest or YouTube channel for more details.

**How to Win Prizes**

Children and adults of all ages are invited to participate in the Summer Reading Challenge. Families who are registered in Beanstack can enter the grand prize drawings through their Beanstack account. Children can also enter a prize drawing by completing the “Read in 100 Places” challenge and collect Book Bucks to spend at the Summer Prize Store every time they visit the library and check out items. Tweens and teens can earn grand prize drawing entries by recording their reading in Beanstack. Teens who volunteer or complete Book Bingo can enter to win gift cards. All volunteer hours must be approved and recorded to earn prize slips. Adults can earn prizes by recording their reading in the Beanstack app or by completing Book Bingo.

**How to Earn and Spend Book Bucks**

Book Bucks are earned by checking out materials at the Waterford Library between June 10 & July 20. Children ages 12 and under are eligible. Stop by the library during special Summer Reading Prize Store hours to spend them.

Store open hours are:
