

February, 2023

Dear Friend,

The Friends of Waterford Public Library are very proud of the funds we have provided to the Waterford Public Library over the years. Programming that is offered to you and everyone of all ages is paid for by the funds raised by the Friends. 10,093 children, teens, and families attended 251 programs from January to December! Our financial support of the Library is very important and is more crucial than ever.

Waterford Public Library is facing a critical funding shortage for 2023. As many of you may be aware, the hours for the library and staffing have been reduced in order to save dollars. The Friends will continue to provide meaningful and enriching programs for all age groups. But, we need additional financial support to assist in this year’s budget shortfall.
